April 2008

The student who gave you this letter is applying to become a S.W.A.T. (Serving With Action Together) member. S.W.A.T. members are student leaders who are passionate about their faith and willing to live it out loud as a witness for all those they encounter. These students will have a high level of leadership expectation and responsibility. They will be placed in working situations with their peers and adults.

Please write a letter of recommendation that addresses the following questions:

How long have you known this student?

What leadership qualities do you see in this student?

What do you perceive as his/her spiritual gift(s)?

What is one area that he/she could strengthen to become a more effective leader?

What evidence do you see that speaks to his/her faith journey?

How would the church benefit if this student were a S.W.A.T. member?

Place your letter in a sealed envelope with the students name on the outside.

Return that letter directly to the Youth Ministries office, not to the student who requested it. Letters may be mailed, dropped off, or emailed (youth@fumc-rr.org). All letters must be received no later than April 30, 2008.
